CALL FOR EXPRESSION OF INTEREST FOR CONSULTANCY SERVICE TO REVIEW AND UPDATE THE ENVIRONMENTAL QUALITY MONITORY AND ENFORCEMENT STRATEGY 1997

Project title: PCBs & UPOPs Capacity building Project in The Gambia.

Background

The handling and management of UPOPs and PCBs are a great concern to National Environment Agency (NEA), UNDP, and their partners. It is in view of these concerns, that the Gambia Government negotiated the Polychlorinated biphenyls (PCBs) and Unintentionally Produced Persistent Organic Pollutants (UPOPs) capacity building project from the Global Environment Facility (GEF) in 2019. The Project is supporting The Gambia with the necessary technical and financial assistance to reduce the risks posed by PCBs and UPOPs to the environment and human health.

The project as part of its capacity building program, intends to support the NEA to review and update the existing Environmental Quality Monitoring and enforcement Strategy, which is currently outdated and does not capture current realities and contemporary Environmental issues. This assignment would require the services of a consultancy firm, team of consultants or an individual to achieve this.

Objectives

The main objective of this assignment is to review and update the existing Environmental Quality Monitoring and enforcement strategy in the Gambia.

Qualification and Experience:

- ✓ PhD/MSc in Environmental Management, Natural Resource Management, Climate Change, or any other field of Environmental Protection and/or Management, or any other field related to environment including for example biology, chemistry, physics, etc.)
- ✓ Minimum of 5 years work experiences in research
- ✓ Ability to write technical reports.
- ✓ Experience in development of National Documents in the area of environmental Management
- ✓ Language Requirements: Excellent written and verbal communication skills in English

- ✓ The successful applicant shall work with a team of technicians from the NEA for the successful implementation of this assignment.

How to Apply:

The TOR in English will be provided in PDF Format to interested consultants upon submission of a written request to all the following email addresses, jallom2@hotmail.co.uk and bernard.mendy@undp.org. The document will be sent by email.

The completed technical and financial proposals in separate envelopes in hard copy to **Executive Director, National Environment Agency, PMB, 48, Jimpex Road, Kanifing**, or soft copy to suwarehamadou@gmail.com and copy jallom2@hotmail.co.uk and bernard.mendy@undp.org.

Closing date for submission: Friday 8th September 2023
